**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 20 You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

**CAUSE**

The purpose of this petition is to apprise the Court of the status of the aforementioned case, in light of the Ninth Circuit Court of Appeals' finding in United States v. Stevens (9<sup>th</sup> Cir. 20050), and to request that the conditions of supervision be modified to authorize a maximum of six random drug and/or alcohol tests per month.

The offender signed the "Waiver of Hearing to Modify Conditions of Supervised Release," and understands the rational behind this modification. Mr. Lynch continues to submit to drug testing. To date, all urinalysis specimens provided by Mr. Lynch have been negative.

Respectfully submitted,

## Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

To modify the conditions of supervision as follows:

- 20 You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.
